

RED STONE  CHURCH

BRUCE & NEIDE COLSON

MISSIONARIES TO MOZAMBIQUE

Bruce & Neide founded Vision 360 Ministries, a cross-cultural ministry providing a listening ear & encouragement to other missionaries around the world. They help the Makua people in northern Mozambique, one of the world's poorest countries, escape extreme poverty by meeting basic needs such as food, water, health & education as well as providing necessary training for leaders in local churches. BRUCE & NEIDE - BRAZIL TRIP 2016

"It was a very busy time as we arrived on Friday night and already had things planned for all day Sat. Then I preached twice on Sunday as well as times for fellowship with people from the church in between. Things slowed down a little during the week, but we also had several opportunities to bring encouragement to people there. On Friday, May 27th we went to a nearby city to spend time with a pastor and his family that I am mentoring. Neide & I both led a marriage and family seminar on Friday night, Saturday night, and then I preached on Sunday night. During the day we went on a Brazilian Barbecue on a nearby farm and had a wonderful discussion with the 5 couples who were there about communication in marriage. We appreciate very much the prayers that were said on behalf of this trip as we often saw the hand of God working in this short time we were there. We praise God for the opportunity to participate in a church like Red Stone that gives value to prayer and relationships. Blessings, Bruce & Neide Colson"
