

JOSHUA & JANNA HUBBARD

DOE RIVER GORGE

Joshua and Janna's passion for reaching young people through camping ministry began when they first met in 2003 at a small camp in Virginia. When God led them to Doe River Gorge in 2007, they felt God was confirming their childhood dreams of being full-time missionaries. They personally have experienced the life-changing effects of ministering in a Christian camping environment. Joshua and Janna were married in 2006 and have three daughters, Paisley Faith, Skyla Mercy and Charis Rain. [SUPPORT JOSHUA & JANNA](#)
