

KYLER WILLIAMS

MISSIONARY TO IRELAND

From August 2016 through July 2017, Kyler will serve in Ireland with Global Year. Her heart is burdened for the lost. Less than 3 percent of the Irish population claim to be Evangelical or Protestant Christians. Depression and suicide rates continue to dramatically increase. She embarks on this new journey with great expectations that the Lord is going to move in mighty & profound ways. Kyler loves spontaneous adventures, mountains, chai tea, and reading (especially in coffee shops). [SUPPORT KYLER](#)
